

God's Services Survey

Aiken, South Carolina

Introduction

Dear Pastor,

This short survey is intended to be a tool for bridging Evangelical Churches for the purpose of joint outreach. This will help determine the level of interest there is among churches for this type of ministry.

God's Services goals are:

- Connect Churches together for joint outreach
- Help individual Christians find ministries to participate in
- Help connect individuals in need with help
- Host Funday Carnivals with participating churches
- Host spring and summer break kickoffs to launch missions work with participating churches
- Christmas ministry delivering toys and gift baskets to the needy in the area.
- Godsservices.com serves as a hub for Christian information and evangelism

I be glad to talk to you about this ministry or answer any questions you may have.

God bless,

Stephen Boan
